

The French Broad Hustler

M. L. SHIPMAN, Editor
T. R. BARROWS, Associate Editor & Manager
HENDERSONVILLE, N. C.

Entered at the Postoffice at Hendersonville, N. C., as mail matter of the second class.

WOULD DRAIN STATE SWAMP.

Having in mind the problem which has frequently received the anxious attention of statesmen from the mountain districts, Mr. Gudger has introduced a bill appropriating funds for draining Mud Creek swamp in Transylvania and Henderson counties. Washington correspondence Charlotte Observer.

The thing Mr. Gudger evidently has "in mind" at this time is support for a re-nomination, else he would have introduced this bill a long time ago instead of waiting until the close of the session when there is no hope of getting it through, even if there was any probability of interesting the Government in such a proposition. This matter was called to his attention during the campaign fifteen months ago, yet he has postponed action until the closing days of months attendance upon the sessions of congress since that time. His object is too patent and will fool nobody now.

If the congressman had been desirous of accomplishing any material results for his constituents in these counties, why did he not present this bill early in December, 1904, while the matter was fresh in his mind? Instead, he "rests on his oars" until the middle of February, 1906, when congress is almost ready to adjourn and then feigns a desire to drain Mud Creek. But maybe he was relying on his statement in 1904 to stay out of the contest this time and not being a candidate at the beginning of his second term there was no special reason for "blowing up" Buck shoals. At any rate he uttered not a word about it until opposition to his candidacy for a third term began to assert itself. Does he suppose that the democrats of Henderson and Transylvania counties are simpletons? It would be interesting to know just what benefit our Transylvania friends would derive from the drainage of Mud Creek, anyway, and this proposed scheme will doubtless be news to them, as it is to our folks—at this late day.

THE HUSTLER's list of correspondents is growing right along and we are glad to give space for newsy letters from our friends living in the rural communities. In exchange for their information we shall endeavor to give them all the local news of Hendersonville that is worth printing. But friends, please do not send in worthless items. What we want is matter of general interest to the people of your section and the county at large. A further favor we wish to ask is that you request your friends and neighbors to become subscribers and thereby assist the management in maintaining the present high standard of the paper as a news medium—the class of matter which interests the people. The present cost of production is greatly in excess, each week, of an amount the office can really afford, but we are fully determined to take no backward steps, if the people will heartily co-operate with us and thus show appreciation of our efforts.

Speaking of Representative Blackburn's purpose in attacking the record of Senator Fritchard, the Washington correspondent of the Greensboro Industrial News says: "Mr. Gudger said today that if the occasion demands he will use his seat in the house and reply to any attack that may be made upon Judge Fritchard." Why, certainly! Mr. Gudger may always be considered "Charley-on-the-spot" when Mr. Fritchard, or a Rollins is attacked and it requires no instructions from any class of constituents to prompt such action on his part. Is there a kind of "tickle me and I'll tickle you" understanding between them?

Aheville wants the next democratic congressional convention, and judging from the number of aspirants who have entered the lists, she is also after the candidate again. Well, Hendersonville has entertained the last two conventions and her people are not disposed to be "hoggish" about anything. What we Henderson county democrats want is a free, open ballot and a fair, honest count, a convention representative of the true sentiment of the masses, composed of delegations who pay their own railroad fare and hotel bills and have the best interest of the democratic party at heart. A convention of such a personnel as this will do the right thing, it matters not where it is held. But why not meet our western friends halfway by going to some point on the Murphy branch, say Waynesville, Dillsboro or Bryson City, if the two latter places can guarantee ample hotel accommodations?

Local News

Card of Thanks.

We, Howard Bennett and family wish to express our thanks to the many kind and true friends of our dear little Ollie, deceased. We are unable to express our heart felt thanks in a way appropriate to the cause as the sunny words and deeds from the hearts and hands of those who ministered unto her from her first illness of eighteen months ago to the last were appreciated by her to what extent nobody knows. Consequently we can very fully express our gratitude but trust the reward may be handed out by a higher power.

Deaths of the Week.

Mrs. Justus, age 82, mother of Mr. Sam Justus, died Saturday March 10. Buried at Refuge Cemetery.
Miss Ollie Bennett, age 14, heart disease, Saturday morning, the 10th. Buried at Oak Dale Cemetery.
Mrs. S. J. Patterson, Crab Creek, age 86, March 9th. Burial at Osteen Cemetery.

Musical Festival at Spartanburg.

The sale of seats for the 12th Annual South Atlantic States Music Festival, will begin Monday morning, March 19. Special railroad rates of one fare (plus 25 cents) for the round trip. At great expense the New York Symphony Orchestra, of 50 men has been engaged, in addition to the Converse College Choral Society of 125 voices. There will be ten soloists, of international reputation. There will be a Wagner night, a Lyric night, an Artists night, and the usual afternoon symphony and popular concert. Will be the most attractive series of concerts ever given under the auspices of Converse College Choral Society.

Maxwell & Mace are new advertisers in the HUSTLER. They sell and rent bicycles, sell candy, have handsome soda fountain, etc. Mr. Mace will do his usual fine watch repairing there.

The best safeguard against headache, constipation and liver troubles is Dr. Witt's Little Early Risers. Keep a vial of these famous little pills in the house and take a dose at bedtime when you feel that the stomach and bowels need cleaning. They don't gripe. Sold by F. V. Hunter.

Battle between American troops and hostile forces. Nine hundred natives killed. Fifteen killed and 30 severely wounded on our side. Battle lasted two days.

In the spring time you renovate your house. Why buy your body? Hollister's Rocky Mountain Tea drives out impurities, cleanses and enriches the blood and purifies the entire system. 30 cents at Justus' Pharmacy.

Emperor Francis Joseph will give up throne.

If you are troubled with piles and can't find a cure, try Witch Hazel Salve, but be sure you get that made up by E. C. DeWitt & Co., Chicago. It is the original. If you have used Witch Hazel Salve without being relieved it is probable that you got hold of one of the many worthless counterfeits that are sold on the reputation of the genuine DeWitt's Witch Hazel Salve. Sold by F. V. Hunter.

For Those Who Want to be Their Own Landlord.

W. A. Garland has just closed a trade with Mr. T. C. Williams, of Columbia, S. C., who is one of the finest real estate men in the south, for a half interest in his beautiful piece of property in the north end of town, known as Hyman Heights.

They will begin in a few days to build good graded streets and put in stone curbing all around the property, to put out shade trees and level up all the lots. They propose to make Hyman Heights the prettiest suburb in Western North Carolina, if not in the south.

They will sell the lots for ten dollars cash and the balance in monthly payments of five dollars per month, without interest until the amount is paid. They also have a clause in their contract that provides that, in case of death of the party buying the lot, they will make a deed to his wife or heirs without any further payments on the lot or lots. They also have a clause in their contracts that requires all buildings on the lots to be up to a standard, say \$1,000. This guarantees you against some one buying a lot adjoining you and putting up a cheap "shack" of a building and ruining the value of your property. It also guarantees the town that we will not have any shoddy buildings in that part of the town.

They also have a building company in connection with their land company that builds of the beautiful concrete building blocks that will operate in connection with the land company. They will sell you a lot today and make a contract to go to work on a house for you tomorrow, to be finished in thirty days time. You can pay cash for the house, or they will build it for you and let you pay for it by the month, so much a month for one hundred months. The size of the payments will depend on the cost of the house, they contract to build for a stipulated price and you pay five per cent. interest on this amount until it is paid.

We think this and the installment feature of paying for the lots is the best thing that we have heard of coming to this town: because we know of a great many people here who could lay by a little of their monthly earnings and soon own a lot or a home, whereas they are now spending this money for things that do not do them much good because they have no place that they can put the money and get immediate results from it. We need to encourage among the wage earning class of our population the habit of thrift and economy, and to lay something aside for a rainy day or a future opportunity, and do not know of anything that will do it better or more effectively than the plan outlined by these gentlemen. We bespeak for them a good business and a new era in the material development of Hendersonville.

Appreciates Hendersonville.

Miss Annie W. Atkinson has let the contract for a large, handsome residence in West Hendersonville, on property recently purchased from Smith & Wal-drop. The improvements on the property will be most extensive, Miss Atkinson also building culverts and bridges across the Little Ochlawahee and on West College street. The residence will cost somewhere near \$12,000 and is one more testimonial to the esteem in which Hendersonville is held by those who investigate the possibilities of our peerless city.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the bowels and clean the mucous membrane of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the original Laxative Cough Syrup, the best known remedy for Coughs, Colds, Croup, Whooping Cough etc. Tastes good and harmless. Sold by F. V. Hunter.

"Increase Your Yield Per Acre"
You Can See The Growth
Virginia-Carolina Fertilizers
If you want to see dollars grow, feed your fields with Virginia-Carolina Fertilizers. They will "increase your yields per acre" and thus bring down the cost of production, even if you use fewer teams and less labor. We have thousands of strong testimonials from farmers who have tried other makes of fertilizers and assert that Virginia-Carolina Fertilizers are by far the best. They will give you crops that will make more money for you. Buy no other, even if some dealer endeavors to get you to buy some "cheap" brand just because he may make a little more profit on that. Of course, that would be to his interest—not yours.

OPEN PUBLICITY THE BEST GUARANTY OF MERIT.

When the maker of a medicine, sold through druggists for family use, takes his patients fully into his confidence by frankly and fearlessly publishing broadcast as well as on its bottle wrappers, a full list of all its ingredients in plain English, this action on his part is the best possible evidence that he is not afraid to have the search light of investigation turned full upon his formula and that it will bear the fullest scrutiny and the most thorough investigation. Dr. Pierce's Favorite Prescription for the cure of the weaknesses, periodical pains and functional derangements of the organs distinctly feminine, is the only medicine put up for sale through druggists for woman's special use, the maker of which is not afraid to take his patients into his full confidence by such open and honest publicity.

A glance at the published ingredients on each bottle wrapper, will show that it is made wholly from native, American, medicinal roots, that it contains no poisonous or habit-forming drugs, no narcotics and no alcohol—pure, triple-refined glycerine, of proper strength being used instead of the commonly employed alcohol, both for extracting and preserving the active medicinal properties found in the roots of the American forest plants employed. It is the only medicine for women's peculiar diseases, sold by druggists, that does not contain a large percentage of alcohol, which is in the long run so harmful to woman's delicate nervous system. Now, glycerine is perfectly harmless, and serves a valuable purpose by possessing intrinsic value all its own, and besides it enhances the curative effect of the other ingredients entering into the "Favorite Prescription."

Some of the ablest medical writers and teachers endorse these views and praise all the several ingredients of which "Favorite Prescription" is composed—recommending them for the cure of the very same diseases for which this world-famed medicine is advised. No other medicine for women has any such professional endorsement—worth more than any number of ordinary testimonials. If interested, send name and address to Dr. R. V. Pierce, Buffalo, N. Y., for his little book of extracts from the works of eminent medical writers and teachers, endorsing the several ingredients and telling just what Dr. Pierce's medicines are made of. It's free for the asking.

THE JUSTUS EXPECTORANT CURES

Notice of Sale of Land.

By virtue of the power contained in a deed of trust executed to me by W. A. Garren on the 8th day of July, 1904, to secure certain indebtedness therein named due by him to Geo. H. P. Cole as purchase money on the land hereinafter described, I will offer for sale to the highest bidder for cash at the court house door in Hendersonville, North Carolina, on March 15th, 1906 at 12 o'clock, noon, in order to satisfy said indebtedness, the following described land conveyed to me as trustee as above mentioned to secure the above mentioned debt:

All that piece or parcel of land situate lying and being in the town of Hendersonville, North Carolina. Beginning at a stake and pointers on the East side of Crab Creek Road, S. 7° W. 8 poles from a Spanish oak, the beginning corner of the original lot conveyed by D. Stradley and others to Sumner and Woodcock and runs with the East side of Crab Creek road S. 7° W. 17 poles to a stake and pointers; thence S. 71° E. 45 poles to a stake on the bank of Mud creek now old run; thence 18½ poles to a stake and pointers divisional corner between Sumner and Woodcock; thence N. 71° E. W. 45 poles to the beginning—containing 4½ acres more or less. Said indebtedness of the said Garren is evidenced by three notes dated July 8th, 1904, for \$83.33, each, which notes are due 1, 2 and 3 years after date respectively and the deed provides that a failure to pay any note or the interest on any of the notes when due shall mature the entire indebtedness. Failure having been made by the said Garren to pay said notes as they have fallen due or any part of the interest thereon, Geo. H. P. Cole, to whom the said debt is owing, declares the whole debt due and asks that the land conveyed to secure the debt be sold. This sale will be made, therefore in pursuance to the trust reposed in me in order to satisfy said indebtedness. J. A. MADDERY, Trustee. Per M.D. RAY, Atty.

This Feb. 17th, 1906.
